ABOUT

Mills Metal Recycling is a scrap metal recycling company located in Vanceboro, NC. They purchase both ferrous and non-ferrous metals, including scrap metal, junk cars, brass, copper, aluminum, batteries, and radiators. Their core values include accountability, customer service, honesty, integrity, and a strong work ethic. They offer convenient options for customers to bring in their scrap or junk vehicles, whether by driving it in, pushing it in, or towing it in. The company operates from Monday to Thursday, 8am to 4:30pm, and on Fridays from 8am to 4:00pm, with a lunch break from 12:00 to 12:45. The employees are knowledgeable about the different types of materials they purchase.
