## A B O U T

"Bringing LIFE To Living Spaces!" Call on us when you want the job done by a team that is specifically designed to provide high performance based cleaning and property preservation services 24/7! NuHome Alliance Group LP (NHA Group)- is a full service PREMIUM GRADE GREEN cleaning and property preservation company. We are mobilized to provide cleaning and property preservation services in the states of North Carolina, South Carolina, Georgia, and Florida. We possess a large services listing to give our clients more for their money. NHA Group and its staff provide the services encompassed in one company- which would match the hiring of at least three or more separate companies-- all at an affordable, packaged price. Because of our broad variety of service capabilities- we are known to be a one-stop shop for residential, commercial and industrial project ventures, Our clients can reach out to us 24/7 for high powered results-- and that is what we provide. We are professional, flexible, affordable, dependable and always on call for emergency cleaning and last minute touch-ups. Each of our teammates are fully trained to specialize in several different fields of the cleaning, hospitality, landscaping and property preservation business- so, through 'tag team' effort and our structured quality control platform- we are fully capable of covering more groundwork in a shorter time frame. We service just about anyone desiring or needing PREMIUM GRADE, Eco-friendly property cleaning, management and maintenance! Our company is licensed, bonded (janitorial , property preservation & general contracting), and our insurance can be customized at the drop of a hat to 'beat-match' our client's project qualifications. NuHome Alliance Group LP (NHA Group) is proud to bring out the best in our client's 'living' spaces PREMIUM GRADE, Earth friendly residential, commercial and industrial choices for better health and wellbeing. Our products, services, teachings and techniques are high-quality, Eco-friendly and safe for everyone of any age- including pets. We make it our priority in reducing harmful chemicals that may be endangering our family, pets, friends and clients who trust us to clean and

maintain a property for them. Our property preservation services are also Eco-friendly and affordable. We go that extra mile to show our clients that it is TOTALLY possible to enjoy life without harsh chemicals, preservatives, fillers, synthetic fragrances, artificial colors and toxins. We put our best foot forward for the environment, making sure to stay in compliance with our EPA, LEED, and OSHA based safety / training protocol. Driven By Rapid, Professional Results "Whatever transpires in our environment is absorbed into the walls, furniture, carpet, ceiling, objects, others, and most importantly, by us... " We work EFFECTIVELY, as a team to help MASSIVELY reduce, and in most cases, successfully eliminate the amount of allergens and bacteria in an enclosed environment. We have more than 25 years experience in the fields of interior design, janitorial and maid services, housekeeping, adult-care, property maintenance, lawn care, event planning/ coordination, natural health & nutrition, alternative living/ herbalism, life/ ethics coaching, catering, and other professional services. We use this experience to better help our clients put the finishing touches on just about any project venture. We ONLY provide Premium Grade GREEN cleaning and maintenance services (with the platinum option of aromatherapy and holistic health cleaning services)- nothing less than the best and above average for our clients. We reward our clients for making us their first choice by providing them with cleaning and property preservation services that are equal, if not better, than the best Eco-friendly cleaning and maintenance services available to them, and one that is certainly most affordable if the client decides to sign a long term contract with us.
