ABOUT

National Iron and Metals is a metal recycling company located in Katy, TX. They specialize in residential and industrial scrap metal recycling. They accept a wide range of metals including copper, brass, aluminum, zinc, lead, titanium, iron, steel turnings, precious metals, pipes, fittings, valves, flanges, stainless steel, carbide, Inconel, nickel, and special alloys. They also offer assistance with unloading and testing the scrap metal on the spot to determine its value. National Iron and Metals is committed to providing efficient and reliable metal recycling services.
