ABOUT

NORTH STAR Waste & Recycling offers a wide range of disposal services for construction debris materials, including wood, metal, appliances, furniture, cardboard, glass, tires, and more. They provide dumpster rental services, where customers can request a dumpster size to fit their needs and schedule pickups. Additionally, they offer the option of dropping off an empty live floor trailer to job sites, allowing customers to fill it up and have it driven away by NORTH STAR. Whether it's spring cleanup or a major home renovation, NORTH STAR can handle the cleanup process efficiently and effectively.
