## ABOUT

Onopa Services is a 100% Hispanic-owned, SBA HUBZone and 8(a) certified company based in Florida. In business since 1997, Onopa is expanding both in scope and in geographic coverage of services it offers government agencies and the private sector. We are capable of providing contracting services for Demolition Services, Waste Management, General Contracting, Facilities Maintenance, Environmental Engineering and Disaster Recovery. Onopa staff has over 50 combined years hands-on field experience and work closely with customers to design and implement solutions that meet customer's specific project needs.
