

COMPANY PROFILE

P & L RECYCLING

pandlrecycling.com

ABOUT

P and L Recycling LLC is a company that specializes in the recycling of metals. They buy various kinds of metals and offer high compensation for the materials. Their staff assists customers in unloading and sorting their materials to ensure they receive fair compensation. P and L Recycling LLC is able to handle small quantities of metals, such as 1 pound of copper, as well as larger quantities. By selling your metal waste to P and L Recycling LLC, you not only benefit financially but also contribute to a more sustainable future by reducing landfill waste.
