ABOUT

Pacific Urethane Recycling is a company that specializes in recycling urethane foam. We collect and process urethane foam waste from various industries and convert it into new products. Our recycling process is environmentally friendly and helps reduce waste. We offer a range of recycled urethane foam products, including insulation panels, cushions, and packaging materials. Our products are high-quality and cost-effective, making them a sustainable choice for businesses and individuals. By choosing Pacific Urethane Recycling, you are not only supporting the environment but also contributing to the circular economy.
