## ABOUT

Phoenix Glass Recycling is a company that specializes in making glass recycling available to Madison County, Alabama. They serve various areas including Huntsville, Madison, Harvest, Toney, Meridianville, New Market, Brownsboro, Gurley, Big Cove, Owens Cross Roads, and New Hope. The company believes in the infinite rebirth, reuse, repurpose, and recycling of glass. They emphasize that glass is endlessly recyclable without any loss of quality or purity. By using recycled glass to make new containers, glass manufacturers can save raw materials, energy, and reduce CO2 emissions. For every 6 tons of recycled container glass used in the manufacturing of new bottles and jars, 1 ton of carbon dioxide is reduced. Phoenix Glass Recycling aims to prevent the wastage of glass and promote its importance in sustainability.
