

COMPANY PROFILE

Pinole Rodeo Auto Wreckers

pinolerodeoauto.com

ABOUT

Pinole Rodeo Auto Wreckers specializes in used engines and drive train components, transmissions and rear ends, third members, suspension and brake parts for cars and trucks of all sizes and makes, domestic and foreign. We also have front subframes complete with all drive train components. Drive shafts for front and rear wheel drive cars. Radiators new and used. Front clips and body parts for many older cars and trucks. We have an inventory of used cars and rebuildable salvaged automobiles. We also have a large selection of parts in stock for both domestic and foreign cars on the premises. In addition to our large inventory we are able to access an extensive network of parts suppliers.
