

COMPANY PROFILE

PlasTX-Metal Recycling

plasticrecyclingcenter.comABOUT

PlasTX-Metal Recycling brings more than 20 years experience in the recycling industry. We are a family owned business and our goal is to provide fast, reliable, efficient, as well as courteous service. We are a full-service post-industrial plastic recycler based in Texas offering pick up service for Businesses in Texas, Oklahoma, Arkansas, Louisiana, Kansas and Missouri. Go GREEN by helping us recycle your scrap plastic.... Let's work together to keep plastic OUT of today's landfills and put it into new recycled products being made everyday.
