## A B O U T

Platinum Cleaning Since its inception more than 50 years ago, Platinum knows what it takes to maintain perfection day in, day out. We are proud to maintain our first rate clients over the years through our hard work, tenacity, and commitment to innovation. With countless locations across the United States, Platinum has over 1,800 employees. We are a leading cleaning and facility services provider with the national resources of a large conglomerate, paired with the local understanding and expertise of a small business. Every day, more than a thousand employees deliver "The Platinum Advantage" to over 35 million sq. ft. of commercial space, servicing facilities across the country in many facets of American enterprise. We're a private, minority owned company based in Santa Monica, CA. with numerous strategically placed regional and branch offices. Through steady, managed growth, Platinum Cleaning now provides services across a wide range of industries, including: Office Buildings (both Class A and Class B) Educational Environments Petrochemical Facilities Industrial Plants Gaming Complexes Health Care Clusters If you are shopping for facility services, please call either our national headquarters or your regional office. We have the ability and experience to provide additional cleaning and maintenance services you need. Our services will not only save you time and money, but they will also eliminate the uncertainty of working with unknown and possibly under qualified vendors. At Platinum, every manager and every employee understands that quality service is not an accident; achieving the customer's desired result requires a consistent pursuit of excellence and a commitment to prompt and effective service. To ensure this outcome, our quality control program partners with you, the customer. Through the coordinated team effort, your satisfaction will be met, exceeded and sustained year after year.
