

COMPANY PROFILE

Poling Auto Parts

polingautoparts.com

ABOUT

We stock a large line of inventory of car parts from domestic to foreign Asian / European. Don't want to be the one getting dirty? We do it for you as we pull the parts so you don't have to. Have an old car that needs a new home? We pay top dollar for those too along with scrap. We are a family owned and operated business since 1978. Used auto parts and cars are part of every employee as we have a combined knowledge base of over 240 years in just 7 employees. So you can count on the best information and answers to your questions and not the answers you get from the corporate discount parts stores. Full Line of quality used auto parts Parts are tested & warrantied 90 day replacement warranty Domestic & foreign parts No need for you to pull the parts as we do it for you Large selection of quality used tires We pay top dollar for cars We also buy scrap metal
