

COMPANY PROFILE

Precision Fence & Automated Gates

pbfences.com

ABOUT

Precision Fence & Automated Gates designs and fabricates quality fencing for residential and commercial clients. We work with a variety of fencing materials including wood, aluminum, vinyl, and chain link, and also specialize in custom wrought iron railings and driveway entry gates. We create fences built to last! Precision Fence & Automated Gates is fully licensed and insured and we are proud to service Westchester County, Putnam County, Rockland County, Dutchess County and surrounding areas.
