

COMPANY PROFILE

Randys Auto Parts and Towing

randysautopartsandtowing.com

ABOUT

Founded in 1946, Randy's Auto Parts and Towing provides late model used auto parts to body shops, repair facilities, and individuals throughout the United States. Our primary sales focus is in Central Washington State where we offer delivery service two times per week to all major towns. Randy's retail trade is provided through two locations in North Central Washington, Ephrata and Okanogan. Both locations enjoy strong retail and walk-in trade. We also offer towing services to North Central Washington State from three offices located in Okanogan, Wenatchee, and Ephrata. The Okanogan and Wenatchee locations have the only state certified Class C (large tow) trucks in a three county area. Randy's also provides all heavy duty recovery and towing services for the Washington State Patrol. The businesses work well together since towing can often be weather or seasonally related, and during slow time, management is able to shift man power to the wrecking side and vice-versa.
