ABOUT

Reach Grab and Go is a Houston-based company that specializes in trash and debris removal. We clear home and storm debris in and around the city, and no job is too small or too far. Our services include trash pickup and large-scale debris removal in collaboration with The City of Houston. We are proud to be a minority-owned company and are dedicated to enhancing the cleanliness of our city. By clearing debris, we contribute to keeping our waterways clean and benefiting not just Houston but also the surrounding areas.
