ABOUT

SCR Enterprises, LLC is a property management company based in Adrian, Michigan. We specialize in stone driveway repairs, restorations, and new installations. Our services include gravel driveway repair and installation, material removal and delivery, excavation, grading, concrete and asphalt breaking and disposal. We also offer equipment and dumpster rentals through our subsidiaries, SCR Rentals and Trash Monster, LLC. Our mission is to provide honest and trustworthy property management services, focusing on client relationships and leading each project with integrity.
