ABOUT

Shoemaker Scrap and Recycling LLC. is a ferrous and non-ferrous metal recycling company recognized in Rusk County for its amazing customer service, genuine and honest employees, and high metal and scrap pricing. Shoemaker Scrap and Recycling LLC. is committed to environmental sustainability. We recognize the importance of protecting our planet's natural resources. With the support of our customers, recycling reduces the need for mining, lowers production costs for metal manufacturers and helps deliver quality metal products throughout the world. This is all part of our strategic approach to intelligent resource management and re-use. Founded in 2011, Shoemaker Scrap and Recycling LLC. has continued to be one of the cleanest, most convenient recycling centers in East Texas. We are dedicated to providing our customers with the highest level of customer service. Whether it's our timely service, competitive pricing, or complimentary water, we always strive for the best. Shoemaker Scrap & Recycling LLC. is open to the public and ready to serve your metal recycling needs. We accept and pay you cash on the spot! So, save your cans, clean out your garage, and dispose of all of your unwanted metal items in an environmentally friendly manner- and make money from it at the same time!
