

COMPANY PROFILE

Six Recycling

sixrecycling.com**A B O U T**

For over 25 years, Six Recycling has been your home for quality recycling services. When you bring us your broken down vehicles, appliances, electronics, insulated wiring, or scrap metal, we make it worth your while! From on site demolition of metal structures to roll off container delivery and pickup for your recycled materials, we strive to offer you a series of convenient options that suit your recycling needs. Six Recycling is a family owned and operated company that was founded in 1990. We buy everything from cans to cars and pay cash for your scrap. For your convenience, we offer a roll off box service for scrap metal and C&D material. Scrap vehicle pickup is also available. If you have large equipment or machinery, we can come and remove it for you. Six Recycling purchases scrap metal from commercial customers and private individuals. Call Six Recycling today for all of your scrap metal recycling & demolition needs: 330 385 1452
