ABOUT

So Cal Industries is a company based in Southern California that specializes in providing premium portable restrooms, handwash stations, fence services, and barricades for events, emergencies, and construction projects. They offer a wide range of restroom options, including standard, deluxe, and wheelchair accessible restrooms, as well as VIP and luxury trailer restrooms. In addition, they provide various types of fences, such as screen, panel, and chain link fences, as well as handwash stations and barricades. So Cal Industries is known for their clean, quality service and affordable prices.
