**A B O U T**

Solid Waste.com is a digital marketplace and resource for professionals in the waste processing industry. They provide information on various aspects of waste processing, including bioassay equipment, gasification, dewatering, odor control, and more. The company has recently signed cooperation and supply agreements with Circon Energy LLC, ReCO2 LLC, and Vow ASA. Additionally, they have partnered with Food Tech Valley to construct a large-scale waste to value farm capable of recycling food waste and growing billions of plants annually.
