ABOUT

SOMI Roll Off is a company that provides temporary dumpster rental services in Los Angeles, CA. They offer easy pickup and delivery of different sizes of roll off containers for various project requirements. They have two sizes available: Lowboy, which is specifically for heavy materials like dirt, concrete, asphalt, and brick, with dimensions of 2' Height x 8' Width x 16' Length; and Highside, a larger dumpster suitable for large home renovations, clean up, demolition, and commercial use, with dimensions of 6' Height x 8' Width x 22' Length. Whether you need a dumpster for a small project or a large-scale renovation, SOMI Roll Off has the right solution for you.
