ABOUT

Stanford Home Centers are a family-owned and operated hardware and lumber retailer. They have been providing quality lumber and a wide variety of products for construction, home remodeling, home repair, yard maintenance, and gardening needs since 1954. In addition to their extensive product range, they offer services such as retail small engine repair, paint color matching, screen repair, key cutting, and tool & equipment rental. Stanford Home Centers pride themselves on their commitment to customer service, standing behind their products, work, and people. They carry top brands and prioritize the customer's needs above all else.
