

## COMPANY PROFILE

# Stanislaus County CA

[stancounty.com](http://stancounty.com)

## ABOUT

Stanislaus County is a vibrant community located in the Central Valley of California, offering a range of recreational activities, arts, and family-friendly events. The county is home to educational institutions like CSU Stanislaus and Modesto Junior College, providing educational opportunities to thousands of students. With a population of over 500,000, Stanislaus County serves as an attractive residential option for those seeking affordable housing in proximity to the San Francisco Bay Area.
