ABOUT

Stoneroad Iron & Metal is a family-owned company since 1990 that provides recycling services, including the buying and selling of scrap metal. They have two convenient recycling centers located in Williamstown and Paxinos, Pennsylvania. In addition to recycling, they also offer used auto parts and roll-off containers. Their 'U Pull It' service allows customers to explore and purchase used auto parts. Stoneroad Iron & Metal is committed to reducing waste and promoting sustainability by diverting reusable materials from landfills.
