

COMPANY PROFILE

Strike

strikeusa.com**A B O U T**

Strike is a leading pipeline and facilities solutions provider, delivering integrated EPC, maintenance, integrity, and specialty services across North America. Strike safely and reliably delivers the specialized asset maintenance, construction, and contracting services that are business critical to the energy, chemical, manufacturing, and industrial sectors. Strike is an engineering, construction, manufacturing, and industrial services company focused on designing, building, and maintaining integrity across asset lifecycles. They serve the entire value chain for energy and process industries, providing design, construction, and operational integrity services for oil and gas, civil infrastructure, pipelines, facilities, electrical and instrumentation, well pad gathering systems, utilities, building packages, renewable facilities, and rotating equipment.
