A B O U T

Dennis O'Connor is proud to announce the formation of Central Mass and Metro West's premier trash company, Superior Waste and Recycling. With over 20 years in the Waste and Recycling business Superior is able to tailor low cost and reliable waste removal programs. Offering Residential Trash Removal Services, Roll offs, Containers, and Junk Removal to homes and business throughout the Central Mass and Metro West areas. Superior Waste can handle just about any scrap metal removal job in or around Worcester, Massachusetts. We can even pick it up for you so you don't have to transport it. Since we are also demolition experts we can even handle much larger projects than most companies in the area. For instance, if you have a metal shed that you want to get rid of, but don't want to take it apart and haul it to a scrap yard, we can do the whole job for you. We handle commercial, residential, and industrial jobs.

Superior Waste20160330_111037 in Worcester, Massachusetts recycles roughly 85% of each mattress, keeping that much out of landfills and incinerators. Mattresses are cut open and the steel, foam, wood, and even some of the toppers and cotton are recycled. There can be many reason to get rid of your mattress whether it is old, has been stained, or you've become a victim of bedbugs. Let us take care of your mattress removal so you can truly get a good nights sleep. Superior Waste's team of highly trained, long-term employees has over 20 years' experience carrying out both large and small scale commercial demolition projects in and around Worcester, Massachusetts. We perform both total and partial residential and commercial demolition with the goal of recycling or re-purposing 80%-100% of what we haul away. Our Demolition Services Include:
