## ABOUT

We are a family owned business located in Trinidad, Colorado. We strive to make hauling water convenient and we work hard to bring you some of the best alternative fuels to the market at a reasonable cost. If you have a disability or need assistance getting your water, fuel, or recycling please contact us and we'll assist you. We are open to comments and feedback. Terra Firma Recycling is a not profit 501(c) 3 rural recycling facility located in Trinidad Colorado in Las Animas County. Recycling participants can voluntarily recycle plastic #1-#7, paper/chipboard, cardboard, and household metals free of charge
