## ABOUT

Toledo Area Sanitary District (TASD) is a company based in Toledo, Ohio that provides mosquito control services. They offer estimates and information on current adult mosquito populations, as well as advice on personal protective measures. TASD can be contacted for employment opportunities, service requests, and reporting mosquito bites. They also have a Skeeter Squad program and promote pollinator positivity. For more information, visit their website at [toledomosquito.org](http://toledomosquito.org).
