## ABOUT

Triton Services, Inc is a company that specializes in the production and application of polyurea coatings. Polyurea is a fast-setting, chemical-resistant coating that has zero VOCs, a low perm rating, high physical properties, and is UV stable. Triton Services offers polyurea coatings for various applications, including as a vapor barrier for Brownfield Redevelopment projects. Their expertise in using polyurea for Brownfield Redevelopment has earned them the prestigious Phoenix Award for Excellence in Brownfield Redevelopment. With a focus on quality and innovation, Triton Services is committed to providing durable and long-lasting solutions for their customers.
