## ABOUT

TSU/Tree Service Unlimited, Inc. is a family operated business founded in 1984 in Placerville, California. The business originated by providing residential tree care to the residents of Placerville, as well as professional logging services for the first 18 years. In 2012, TSU expanded its operations into Vegetation Management, Right of Way, and Utility Line Clearance for California's largest utility companies, municipalities, and state and federal agencies.
