

## COMPANY PROFILE

# United Recycling

[unitedrecyclinginc.com](http://unitedrecyclinginc.com)ABOUT

United Recycling, Inc. is a leading recycling facility in Cumming, GA, founded in 2006. Specializing in metal and paper recycling, we buy copper, aluminum, auto batteries, and scrap metal. Committed to environmental sustainability, we offer services like scrap metal and electronic recycling, used auto part sales, and container rentals for easy recycling. Our eco-friendly practices adhere to all regulations, making recycling convenient and rewarding for our customers.
