

**COMPANY PROFILE**

# Viaflex

[ravenefd.com](http://ravenefd.com)**ABOUT**

Raven Engineered Films is a leading manufacturer and supplier of high-performance plastic film and sheeting. With a wide range of products, from ultra-thin films to heavy fiber-reinforced sheeting, we offer solutions for various industries. Our expertise lies in producing high-quality packaging film, barrier film, construction films, and puncture-resistant geomembrane liners. We are known for our innovative and targeted product solutions, backed by our state-of-the-art manufacturing facility. As a U.S. manufacturer, we are committed to sustainability and environmental design practices. Raven Engineered Films is dedicated to protecting Earth's resources and providing long-lasting performance.
