

COMPANY PROFILE

Vista Del Lago Memory Care

vistadellagomc.com

ABOUT

Vista del Lago is a senior living community in Escondido, CA that specializes in memory care and respite care services. They offer 24/7 nursing care for diabetic management, injections, wound care, catheter care, and other nursing needs. They provide dementia/memory care from light memory care to the final stages of dementia. Their personalized activities, services, and amenities enhance the quality of life for residents, allowing them to focus on creating memories with friends. Vista del Lago also offers services such as hospice care, respite care, anytime dining with balanced meals prepared by a French executive chef, personal concierge services, local transportation for appointments and outings, housekeeping and laundry services, and a community support group. They have an effective approach to redirecting and way finding assistance to ease frustrations. The community's mission is to ensure that individuals with Alzheimer's disease and other related dementias receive exceptional care and can enjoy the simpler things in life.
