

## COMPANY PROFILE

# Vocars

[vocars.net](http://vocars.net)ABOUT

VOCARS is a company based in Louisville, KY that specializes in collecting and recycling used cooking oil, grease, and fats from restaurants and commercial cooking facilities. Since 2006, VOCARS has been serving customers in Kentucky, Ohio, and Indiana, ensuring that their operations run smoothly and that fats, oils, and greases are properly recycled to prevent environmental hazards. VOCARS is committed to providing excellent customer service and exceeding customer expectations by recycling every pound of oil and grease collected.
