ABOUT

Turf Management Systems Inc. is the corporate head office for the Weed Man franchise network. There are more than 300 Weed Man franchise dealers providing Professional horticultural services across Canada, the USA and in the United Kingdom. They provide a livelihood for more than 2,500 people directly, plus many others employed in capacities related to the industry. They provide responsible, Professional services to those who need help maintaining healthy surroundings for families. These include the elderly, the time-pressed, and those living in regions that present the kind of horticultural challenges that require specialized expertise.
