ABOUT

Windmill Services is a lawn maintenance company based in Columbia, SC. With over 30 years of experience, we have been providing top-quality lawn maintenance services to our clients in the community. Our team, led by Peter Hellman, works closely with Windmill Farm Nursery to ensure the best results for our clients. We are proud members of various lawn and landscaping organizations, including the National Association of Landscape Professionals and the Greater Columbia Landscape Association. If you are looking for reliable and professional lawn maintenance services, look no further than Windmill Services.
