ABOUT

Wood Waste Recycling ? The Premier Green Waste Recycling Company - Wood Waste recycling was established in 1998 as a premier wholesale mulch manufacturer in the Pittsburgh area. We currently operate two D.E.P licensed facilities in Allegheny County. Our facilities give us the ability to offer a wide range of premium products and services to all of our valued customers. We specialize in color enhanced mulches, natural wood fiber products, topsoil?s, and composts. We also provide a broad range of services.
