Agenda Items & Notes:

1. School Updates:

-The school building is not currently connected to the city's water line. March 13-April 12 the kitchen will be closed in order for a grease trap to be installed. Meals will be prepared at our satellite school PS 130, and it will be delivered to our school. Students will continue to eat their lunch in the cafeteria. After the grease trap is done, trenching will begin around the building. They will complete this job in halves so that we do not have to close both school yards.

-An electric sign was purchased to display the school name and messages for families in front of our school.

2. CEP-Monitoring and Continuous Improvement Planning:

-Progress Monitoring Period 2:

Priority 1:

-K-2: Our target for this point in the year is to have 26% of ELL students in grades K-2 proficient in reading. According to MOY Acadience data, 21% of ELLs in those grades are proficient. Teachers in grades K-2 have begun meeting to look at their data and students have been regrouped for MTSS. Teachers are getting trained in some new intervention programs that will begin on Monday.

-3-5: Our target for this point in the year is to have 31% of all students in grades 3-5 proficient in reading. According to MOY Acadience data, 19% of all students in those grades are proficient. MOY meetings will be

taking place with upper grade teachers and adjustments have been made to the MTSS groupings and we added a morning program for students that are on the cusp of being on grade level.

3. **Title 1/ PAC:**

-Will be discussed at the next meeting.

4. **PTA:**

-PTA is planning a dance for 5th grade students.
