

SLT Meeting Minutes 11/16/23

Attendance:

Tina Hatzimichalis
Cristina Zencuch
Christina DiBlasi
Wioletta Bujak
Lina Mei
Refke Vays
April Huang

- **New Programs:**

We are following the MTSS program. Tier 1 is being done by teachers of all grades. BOY was completed in October, so teachers looked at data to make decisions. If students need a small group, that falls under tier 2. Students that need tier 3 support will get the opportunity for targeted instruction for a group no larger than 3 that will work with a program called SPIRE. If students do not progress with this program, only then will they be referred for special education. Extra curricular programs are starting. The extra curricular programs include, chess, drumming, and basketball. Lunch bunch is taking place where teachers have a group of students that are chosen to attend and the lunch bunches have themes such as, gardening, science, and art.

- **After school Programs:**

After school programming for ELA and Math will begin around January. When after school programming begins, extra curricular programs will pause.

- **PTC December 7:**

PTC this year will take place via zoom. Students will be dismissed at 11:20. Teachers will send out letters and zoom links. The afternoon session will be from 12:10pm-2:10pm and the evening session will be from 4:00pm-7:00pm Out of classroom teachers will send a zoom link as well for parents to join. The school prints out the family reports from our screeners for parents to know where their child falls in terms of the New York State Next Generation Standards. Parents will receive a report for the MAP ELA/Math (Grades 3-5) and Acadience (Grades K-2)

- **Fall Festival, Picture Day, and Upcoming Events:**

Fall festival went well. Students received pumpkins and candy. Pizza parties for classes that won the pumpkin contest will be taking place on Friday. Picture day was great. The kids who paid took their pictures and classes took class pictures. We will have a Christmas sale next month. PTA purchased 10 Visa gift cards for \$50 each to give to families in need. Turkeys were donated to our school and one family per grade will receive them. School supplies are also provided to students in need. PTA fundraising sales come directly from the ice cream sales on Fridays. We thank the PTA for providing such wonderful things for the school community and they are doing an amazing job.

- **Next Meeting:**

We will go over the BOY data before ILT looks it over.
