

Meet the Teacher

About Me

My name is Jason Houy and I am thrilled to be your teacher this year.

This school year will be filled with exciting learning opportunities, new friendships, and plenty of personal growth. I am passionate about creating a classroom environment that is welcoming, inclusive, and engaging for all students. Together, we will develop a love of learning and have fun along the way.

Communication is very important to me. I will be in touch regularly and I'm always happy to talk with you about any questions or concerns you may have. Thank you for being part of our classroom community. I am so excited to begin this journey with you.
