

Dear 2nd Grade Families,

We are so excited to welcome you and your child to 2nd grade! We're Mr. Nikovic and Ms. Hu, and we'll be teaching your child together this year. Together, we are looking forward to building a classroom community where every student feels supported, encouraged, and inspired to do their best.

This year in 2nd grade, students will explore new skills in reading, writing, math, and beyond, while also learning to collaborate and grow as independent thinkers. We know 2nd grade will be full of growth, curiosity, and lots of fun.

If you ever have questions or need to contact us, please feel free to email us:
