about me

Hi and welcome to Fourth Grade! My name is Ms. Feliciano and I am so excited to be one of your teachers this year!

This will be my fifth year teaching 4th grade. So far, it's my favorite grade to teach and I hope it becomes one of your favorite to be a part of.

I come from a Puerto Rican background, so I am able to slightly communicate in Spanish; I am not fluent so please bare with me. I also have a beautiful baby boy at home so be ready to see some baby pictures!

In my classroom, I really value having a safe, fun learning environment full of both respect and love. I look forward to meeting you and hope you are as excited as I am!

about me

Welcome to 4th Grade!

My name is Ms. Palazzo, and I am so excited to be one of your teachers this year! I've been teaching 4th grade here at PS 131 for the past four years, and I absolutely love this grade— it's such a fun and important time in your learning journey.

I was born and raised in Brooklyn, but I now live in Queens. I have some exciting news to share— I'm getting married this November and can't wait to show you all the pictures!

When I'm not teaching, I love reading thriller books, trying out new recipes, decorating my home, and spending quality time with my family.

In our classroom, I value growth, learning, and having fun along the way. I can't wait to make amazing memories with you this year and help you reach your goals!
