

## Downtown Accessibility Navigator

### 210 Ionia Parking Lot (last updated July 2024)

210 Ionia Avenue NW, Grand Rapids, Michigan 49503

The parking lot is a gated public surface lot. There are two driveway entrances and exits along Ionia Avenue NW, at the north and south end of the lot.

The perimeter is fenced, and the best way to get to this parking lot from the surrounding sidewalks is by the openings dispersed along the fence on Ionia Avenue. The sidewalks are flush with the parking lot surfaces.

The driveways to the parking lot have gate arms and cannot be used as an accessible route between the sidewalks and the parking lot.

There is a significant change in elevation between Ionia Avenue on the west side of the property, and Division Street on the east side of the property. There is a stairway along the sidewalks on Division Street that provides access down to the parking lot.

**There are designated accessible parking spaces**, near the south driveway entrance and exit. Not all these spaces have adjacent access aisles, and none are indicated with signage.

The parking striping is well maintained. The parking spaces are standard perpendicular spaces. There is no EV charging station present.
