301 Ionia Parking Lot

301 Ionia Avenue NW, Grand Rapids, Michigan 49503

The parking lot is a gated surface lot. There are two driveway entrances and exits along Ionia Avenue NW, at the north and south end of the lot.

The perimeter is surrounded by a vegetation, and the best way to get to this parking lot from the surrounding sidewalks is by the openings dispersed along the planters on Ionia Avenue. The sidewalks are flush with the parking lot surfaces.

The driveways to the parking lot have gate arms and cannot be used as an accessible route between the sidewalks and the parking lot.

There are designated accessible parking spaces, with adjacent access aisles in the center of the lot. The accessible spaces are indicated with signage. There are van-accessible parking spaces present

The parking striping is well maintained. The parking spaces are diagonal-style spaces.
