Butcher's Union (Last updated August 2024)

438 Bridge Street NW, Grand Rapids, Michigan 49504

Butcher's Union is a restaurant in the center of the downtown Grand Rapids area.

The Dash 8 parking lot is a gated surface parking lot. The parking lot is west of the building, at 325 Winter Avenue NW. There is a driveway entrance and exit along Winter Avenue NW. There are designated accessible parking spaces with adjacent access aisles present.

There is metered on-street parking along both sides of Bridge Street NW, on the north side of the venue. There is a wide bike lane on the driver side of the parking spaces that provides space between the parking space and street traffic. There are no designated accessible on-street parking spaces near the property.

Entrances.

The main entrance is along Bridge Street NW. The entrance is flush with the sidewalk, but there is a noticeable slope in front of the doors. There is no power door present. The door opens directly to the main dining room.

Getting Around.

There are two dining rooms present, and an outdoor dining patio. The main dining room has table with chair, high table with stool, booth, and bar seating available. The booths are raised on a platform. There is no lowered section of bar counter present. The second dining room has table with bench seating available. The outdoor dining patio is located in front of the venue, on the sidewalk. There are large doors in the main dining room that are open seasonally to provide ready access to the dining patio. The main dining room floor and the dining patio floor are flush. There is table with chair seating available.

Sensory.

Downtown Accessibility Navigator

The dining rooms are large, and are kept dimly lit. The venue is a restaurant and bar, and noise and echoes may be pronounced during busy hours.

Restrooms.

The rear corridor has men's and women's multi-user style restrooms with designated accessible stalls present.
