Crescent Park (Last updated July 2024)

301 Bostwick Avenue NE, Grand Rapids, Michigan 49503

The Park occupies a long block in the eastern part of Downtown Grand Rapids and is located at the top of a hill overlooking the Downtown area.

There are metered on-street parking spaces available along both sides of Bostwick Avenue NE. There are no designated accessible on-street parking spaces near the property.

There are four entrances to the park from the sidewalks along Bostwick Avenue. All are concrete sidewalks that lead to a central plaza. Smaller, narrower sidewalks wind around the landscaping to picnic areas on the north and south side of the plaza. These branching sidewalks to the north picnic area will be too narrow for assistive devices such as wheelchairs and scooters to travel along. The branching sidewalks to the south picnic area are wide and level. Both picnic areas have accessible style picnic tables with an open section.

The central plaza has bench seating with adjacent companion spaces. There are also large decorative concrete blocks dispersed around the plaza, providing informal seating.

There are no restrooms available on the property.
