east,

There is an intersection at the SW corner of the venue, with brick crosswalks indicated with contrasting markings, and curb ramps and detectable warning plates. There are perpendicular style curb ramps. There are no audible cues for crossing the street at this intersection. The detectable warning plates for the south crosswalk do not directly face the curb ramps on the other side of the street.

Entrances:

The Main Entrance is along Monroe Center Street NW. There are non-powered double doors.

Inside.

The dining room has a bar with stools, tables with chairs, and booth seating available. The booth seating is raised high off the floor. The table with chair seating is high, but there is a selection of lowered tables and chair seating available near the entrance. There are no lowered counters present at the bar.

There are men's and women's multi-user style restrooms present. The restrooms are indicated with decorative tactile lettering mounted on the door. There are ambulatory style stalls only. The toilets and sinks are manual. The sinks are pedestal style with
