Scribner Lot (last updated July 2024)

307-265 Scribner Avenue NW, Grand Rapids, Michigan

The parking lot is a gated surface lot under an overpass. There is a driveway entrance and exit along Scribner Avenue. There is also a driveway entrance and exit along Bridge Street, but it is not available for public use and is blocked.

The best way to get to this parking lot from the surrounding sidewalks is by the many points of egress through the crash barriers surrounding the lot. The parking lot is flush with the surrounding sidewalks.

There are 6 designated accessible parking spaces with adjacent access aisles available at the north end of the parking lot. All are marked with signage. None have the dimensions to qualify as van accessible parking spaces.

The parking stripping is well maintained. The parking spaces are standard perpendicular spaces. There is no EV charging station present.
