INSTRUCTIONS AND INFORMATION

1. **PREFERRED USE:** The contract shall be construed as a **preferred use contract** but shall not be construed as an exclusive arrangement. Preferred use means that any state agency needing the services should use the established contract(s) unless it is determined to be in the best interest of the State of Missouri for a state agency to obtain alternate services elsewhere.
2. **LANGUAGE INTERPRETATION TRANSLATION SERVICES:** Interpreter services shall be the translation of English spoken or written concepts (e.g. forms) to the state agency requested language or the translation of the state agency requested language to English spoken or written concepts. Said interpreting shall be accomplished face-to-face in person, not over the telephone or virtually.
3. **PRICE DETERMINATION:** Since multiple contracts exist, the state agency shall utilize the services of the lowest-priced contractor for the required services. The state agency shall determine the lowest-priced contractor by determining each contractor's total cost based upon the anticipated number of hours, and if applicable, the emergency fee of interpreter services required and the prices quoted on the Pricing Page. In the event the lowest-priced contractor in the applicable region is unable to provide the required services due to unavailability, the state agency shall contact the next lowest-priced contractor in the applicable region. If additional contracts exist, the state agency shall continue to use the same criteria for selecting a contractor until the needs of the state agency are met.
 - 3.1 None of the contractors were awarded preference points.
4. **CONTRACT MANAGEMENT:**
 - 4.1 The state agency should monitor, measure, and manage the contractor's performance of services and delivery of products according to the contractual requirements. Please refer to the Contract Management Guide: <https://oapurch.state.mo.us/procurementsources.shtm>

-
- 4.2. In the event your state agency encounters any issues or has any concerns or questions regarding the contract, please contact the Division of Purchasing in writing to the attention of the buyer shown on the front page of this document.
 - 4.3 To assist the Division of Purchasing in monitoring the performance of the contractors and ensuring quality services are provided to state agencies, state agencies are strongly encouraged to submit documentation regarding the contract and contractor performance to the Division of Purchasing to the attention of the buyer listed on the front page of this document.

CONTRACT SCOPE OF WORK

2. Scope of Work

2.1 General Requirements:

2.1.1 The contractor shall provide Language Interpretation Translation services (herein after referred to as “interpreter services”) for any state agency within the State of Missouri (hereinafter referred to as the state agency) in accordance with the provisions and requirements stated herein.

a. For purposes of this document, a state agency shall be defined as a division, section, bureau, office, program, board, regional/district office, etc. that exists within a department of Missouri State Government. This shall include the University of Missouri System and the Judicial and Legislative branches of the State of Missouri.

2.1.2 The contractor shall either provide the services directly or shall provide a person/personnel who must comply with the requirements stated herein. Therefore, references to “the contractor” throughout this document shall also be deemed to include the person/personnel provided by the contractor.

2.1.3 For the purposes of this document, interpreter services shall be the translation of English spoken or written concepts (e.g. forms) to the state agency requested language, or the translation of the state agency requested language to English spoken or written concepts. Said interpreting shall be accomplished face-to-face in person, not over the telephone or virtually.

2.1.4 Mandatory Languages – The contractor must provide interpreter services for any of the languages identified in the table below upon request by the state agency for such.

Arabic	Greek	Russian
Bosnian	Hmong	Somali
Burmese	Hindi	Spanish
Cambodian	Italian	Ukrainian
Chinese	Japanese	Urdu
Farsi	Korean	Vietnamese
French	Nepali	
German	Romanian	

2.1.5 Other Languages – If a state agency requests interpreter services for other languages proposed by the contractor on the Pricing Page of the contractor’s awarded proposal, the contractor shall provide the interpreter service as requested.

2.1.6 The contractor shall provide the services on an as needed, if needed basis. The State of Missouri does not guarantee any usage of the contract whatsoever. The contractor shall agree and understand that the contract shall be construed as a preferred use contract, but shall not be

construed as an exclusive arrangement. Preferred use means that any state agency needing the services should use the established contract unless it is determined to be in the best interest of the State of Missouri for a state agency to obtain alternate services elsewhere.

2.1.7 Cooperative Procurement Program: The contractor shall participate in the State of Missouri's Cooperative Procurement Program. The contractor shall provide the products and/or services as described herein under the terms and conditions, requirements, and specifications of the contract, including prices, to other government entities in accordance with the Technical Services Act (section 67.360, RSMo, which is available on the internet at: <https://revisor.mo.gov/main/OneSection.aspx?section=67.360&bid=2758&hl=>). The contractor shall further understand and agree that participation by other governmental entities is discretionary on the part of that governmental entity and the State of Missouri bears no financial responsibility for any payments due the contractor by such governmental entities. The following website identifies the current members of the Cooperative Procurement Program: <https://purch.oa.mo.gov/media/pdf/cooperative-procurement-programmembers-listing>.

2.1.8 The contractor shall perform all services to the sole satisfaction of the state agency.

2.1.9 Unless otherwise specified herein, the contractor shall furnish all materials, labor, facilities, equipment, and supplies necessary to perform the services required herein.

2.2 Assignment of Language Interpretation Translation Services:

2.2.1 Upon determination of the need for interpreter services, the state agency will contact the lowest priced contractor in the applicable region, including consideration of preferences.

a. The state agency shall determine the lowest priced contractor, including consideration of preferences, as specified below:

- 1) The state agency shall determine the lowest priced contractor by determining each contractor's total cost based upon the anticipated number of hours and if applicable the emergency fee of interpreter services required and the prices quoted on the Pricing Page. Upon determination of each contractor's total cost, cost points shall be computed from the results of the calculation stated above using a scale of 200 possible points and the following formula:

$$\frac{\text{Lowest Responsive Contractor's Price}}{\text{Compared Contractor's Price}} \times 200 = \text{Cost evaluation points}$$

- 2) For those contractors awarded bonus preference points during the evaluation of RFP30034902401790, such bonus preference points shall be added to the contractor's cost evaluation points. Contractors that proposed to include products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a

certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo were awarded five to fifteen (5-15) bonus preference points during the evaluation of RFPS30034902401790. Additionally, contractors that qualify as Missouri service-disabled veteran business enterprise were awarded the three (3) bonus preference points during the evaluation of RFPS30034902401790.

- 3) The contractor with the most points after totaling the cost evaluation points and preference points will be considered the lowest priced contractor, including consideration of preferences.

2.2.2 When interpreter services are required, the state agency shall provide the contractor with as much prior notice of the interpreter services as possible. In the event the lowest priced contractor in the applicable region, including consideration of preferences, is unable to provide the required services due to unavailability, the state agency shall contact the next lowest priced contractor in the applicable region, including consideration of preferences. If additional contracts exist, the state agency shall continue to use the same criteria until the needs of the state agency are met.

- a. If the contractor cannot provide services according to the state agency's needs or if the contractor does not provide the type of services (e.g. the language requested) required by the state agency, the contractor must immediately notify the state agency. The contractor shall make every effort to meet the needs of the state agency. The state agency shall document each instance of the contractor's inability to provide the required services. If the contractor continually or consistently is unable to provide the required services, the Division of Purchasing may elect to cancel the contract.
- b. In the event that none of the awarded contractors can provide the required services, the state agency may obtain the needed services from another source.

2.2.3 In the event the state agency requires interpreter services for an individual, the state agency shall take the individual's perspective into consideration when selecting the contractor to contact for interpreter services.

- a. If applicable, the state agency shall inform the contractor of possible dangerous situations, including the behavior of the client. The state agency shall take every possible measure to ensure the safety of the contractor. However, the contractor may refuse to provide services for such situations with no negative reflection on contractual performance. The state does not purport to identify every possible instance of a dangerous situation.
- b. Upon contact by the state agency, the contractor shall review the anticipated needs of the state agency and, except when services are needed within the next twenty-four (24) hours (hereinafter referred to as emergency services), the contractor shall advise the state agency within twenty-four (24) hours after the state agency's contact if the required interpreter services can be provided by the contractor within the time frame and at the location required by the state agency.

- 1) For emergency services, the contractor must advise the state agency immediately if the contractor can meet the state agency's needs in regard to interpreter services. For emergency services, if the contractor does not contact the state agency within a reasonable time frame (as determined by the state agency on a case by case basis), the contractor shall agree and understand that the state agency shall have the right to contact the next lowest priced contractor in the applicable region to obtain the needed services.
 - c. In the event the lowest priced contractor in the applicable region is unable to provide the required services due to unavailability of a qualified interpreter, the determination by the state agency of an unacceptable interpreter, or in the event that the contractor does not respond regarding the availability of interpreters within the required time frame, the state agency shall contact the next lowest priced contractor in the applicable region. If additional contracts exist in the applicable region, the state agency shall continue to use the same criteria until the needs of the state agency are met.
- 2.2.4 Because the State of Missouri needs multiple contractors throughout the state to effectively meet the state agencies' demand for interpreter services, the Division of Purchasing reserves the right to add more contractors subsequent to the initial award of contract(s). Qualifying vendors may be added as additional contractors subject to the same considerations identified herein regarding award of a contract.
- 2.3 Specific Interpretation Requirements:**
- 2.3.1 The contractor's interpreter must be competent in the state agency requested language. The contractor's interpreter must possess sufficient education, training, and experience to proficiently interpret verbal communication from English to the state agency requested language and/or the state agency requested language to English. The contractor agrees that the demonstrated proficiency of the interpreter shall be to the sole satisfaction of the state agency and also agrees to replace any interpreter that does not demonstrate satisfactory proficiency.
 - 2.3.2 If requested by the state agency, the contractor's interpreter must be a licensed certified verbal language interpreter.
 - 2.3.3 If required by the state agency, the contractor shall provide resumes with references for interpreter(s) available for use by the state agency. The contractor shall not be required to submit more than six such resumes. The state agency reserves the right to conduct interviews with any interpreters identified as being available for interpreting services.
 - 2.3.4 Security Clearance/Pre-Assignment Screening – If requested by the state agency and prior to the assignment of an interpreter, the contractor shall conduct the following security clearance/pre-assignment screening(s):
 - a. Security Clearance – The contractor shall request and receive the security clearance

information from the Missouri State Highway Patrol for each interpreter. By no later than five calendar days after state agency request, the contractor shall provide the state agency with a completed Security Clearance Authorization (Attachment 1) individually signed by the contractor and the anticipated personnel who shall be providing service. The contractor shall be responsible for the costs associated with conducting the security clearance.

- 1) The contractor shall submit a copy of the security clearance information to the state agency.
