Windows up high. Concrete down low.

Everything your crew needs for spot-free pure water window cleaning and fast, even flat surface cleaning. Four pro tools, one price.

What's in the package

Triple Crown SG1 pure water cart

Multistage RO/DI filtration for spot-free rinsing. Runs on tap pressure, so no generator or outlet needed.

Triple Crown Titanium 30 ft pole + 10 ft extension

High modulus carbon fiber at just 4.6 lb. Brush, tubing and shut-off valve included. Extends to 40 ft when needed.

3/4 HP boost pump

Stainless steel, 120V, standard garden hose fittings. More water at the brush for higher windows.

BE 20" Whirl-A-Way surface cleaner

Twin rotary jets clean an even 20 in path with no striping. Hot or cold water, up to 8 GPM.
